

CORY ENVIRONMENTAL  
TRUST IN COLCHESTER

## **Cory Environmental Trust in Colchester**

### ***Trustee required – expenses paid***

We are a local Landfill Community Fund Trust and registered charity which gives grants to public and not-for-profit organisations within the Borough of Colchester. We seek a suitable volunteer who can attend four meetings each year and do some occasional homework. Familiarity with the Colchester area and previous experience of helping to run a charitable organisation are required.

Please address any questions and send details of your relevant experience to Karen Daniel at Colchester Borough Council, our administrative partners, by telephone on 01206 282910 or by e-mail at [karen.daniel@colchester.gov.uk](mailto:karen.daniel@colchester.gov.uk).
